Esther: It's Tough Being a Woman

Thursdays from September 16 through November 18

9:00 a.m.-10:30 a.m. or 5:30 p.m.-7:00 p.m.

St. Nicholas Hospital

Join us in a very personal examination of this great story of threat and deliverance as a facilitator uses a workbook and teaching video sessions by Beth Moore to peel back the layers of history and shows how applicable the story of Esther is to our lives today. Just as it was tough being a woman in Esther's day, it's tough today. If you've ever felt inadequate, threatened, or pushed into situations that seemed overpowering, this is the Bible study for you.

Free. Anyone is welcome to join at any time.
